JUNE 2010 Chat Marketing Seminar Planned

The U.S. Environmental Protection Agency (EPA), in coordination with the Bureau of Indian Affairs, Oklahoma Department Environmental Quality and the Quapaw Tribe of Oklahoma, plan a Chat Marketing Seminar on June 29, 2010. The seminar will be held for private owners, Indian chat owners and landowners, prospective buyers, the Oklahoma, Kansas, and Missouri Departments of Transportation, and anyone interested in attending. The seminar will be held:

Date: June 29, 2010
Location: Miami Civic Center
129 5th Avenue North West
Miami, Oklahoma 74354
Time: 6:30 pm until 9:00 pm

Chat in distal areas is being sampled to determine if it is marketable. The sampling results are provided to the chat owners and the data information (without names of the chat owners) is posted on a website for parties to determine if they are interested in purchasing the chat. Please join us to hear more good news.
